01 | Modular

02 | Herringbone

03 | Herringbone

04 | Linear

05 | Linear

Patterns are for design inspiration only. The installer is responsible to calculate & purchase the correct amount of material.

NOTES

Palletized upright.

See page 6 for icons description.

See page 16 for more information about applications.

See page 26 to 28 for more technical information.

*For an authentic look, each color option is composed of a variety of darker & lighter tones. Natural ingredients

such as granite are present within the recipe to allow for a range in tones, veining and textures from one stone to another.

In order to obtain a more realistic appearance to natural stone, wet cast (Stonedge collection) slabs are intended to have a slightly larger variance in their dimensions than dry cast slabs. See Notes for dimensional tolerances on page 26.
